MP KRAMP SPEAKS ON BUDGET IMPLEMENTATION ACT IN HOUSE OF COMMONS

“This Budget is what is needed to take us on the road to recovery”

Ottawa, ON – Member of Parliament for Prince Edward-Hastings, Daryl Kramp, stood in the House of Commons yesterday to deliver a speech on the Budget Implementation Act.

“Clearly and indisputably, this Budget is what is needed to take us on the road to recovery”, said Mr. Kramp. “This Budget Implementation bill in process is a comprehensive piece of legislation covering a broad scope of Canadian society”.

Mr. Kramp referenced a number of measures in the Budget including those which will stimulate job creation and economic growth. He also focussed on one particular segment of the Budget, namely the government’s plans to assist small business and prefaced this with a brief background on his own experience for 35 years as a small business owner.

“I am pleased that we have implemented, and will implement a number of key measures that would assist small business, who are really the cornerstone of our economy”, said Mr. Kramp.

Mr. Kramp concluded his speech by saying that the Budget Implementation Act deserves the “unanimous support of the House”.
