**KRAMP CELEBRATES BEGINNING OF DESERONTO COMMUNITY CENTRE
EXPANSION**

Deseronto, ON – Daryl Kramp, Member of Parliament for Prince Edward-Hastings, today joined Deseronto Mayor Norman Clark and members of the Town Council for the official groundbreaking ceremony for the Deseronto Community Recreation Centre expansion project.

The expansion project was funded equally by the Government of Canada and the Ontario Government through the *Building Canada Fund* with each contributing \$675,000.

“I am extremely pleased to see this project underway”, said Mr. Kramp. “The work being done to this centre will create jobs and boost the local economy. When it’s done, residents will be able to enjoy enhanced recreational and social facilities in their community.”

The project will include upgraded change room facilities, accessibility upgrades, a multi-use community hall with kitchen, and conference and fitness rooms.
