Canada's Government Delivers funding to Eastern Ontario Trails Alliance

***FOR IMMEDIATE RELEASE
July 6, 2010***

TWEED, ONTARIO – Daryl Kramp, Member of Parliament for Prince Edward-Hastings, today announced that the Eastern Ontario Trails Alliance (EOTA) will be receiving funding in the amount of \$20,000 from the Eastern Ontario Development Program (EODP).

\$10,000 is funded through the Community Futures Development Corporation of North and Central Hastings and South Algonquin, and the remaining \$10,000 will be funded by Frontenac Community Futures with financial assistance from the Government of Canada through the Federal Economic Development Agency for Southern Ontario.

This funding will help support the EOTA's Marketing Strategy which is designed to help promote tourism in the area by showcasing and advertising the trails.

“Attracting more visitors to these trails builds up our local economy, creates jobs and keeps businesses prosperous”, said Mr. Kramp.

Community Futures Development Corporations (CFDCs) support economic development by assisting Ontario's rural and northern communities to strengthen and diversify their economies.
