**MP Kramp: Government legislation fights corruption and supports
democratic reform in other countries**

Belleville, ON— Daryl Kramp, Member of Parliament for Prince Edward-Hastings, welcomes new legislation which will allow Canada to act upon the request of a foreign state to temporarily freeze assets that former leaders have placed in Canada.

“The Freezing Assets of Corrupt Foreign Officials Act” recently received Royal Assent and is now law.

“This law gives Canada better tools to deal with corruption and support democracy and accountability because it allows us to freeze misappropriated property at the request of a foreign state”, said Mr. Kramp.
