Kramp: Park funding invests in health and well-being of local residents

Stirling, ON- Today, Daryl Kramp, Member of Parliament for Prince Edward-Hastings joined MPP Leona Dombrowsky and Township of Stirling-Rawdon officials and residents to celebrate the grand opening of Henry Street Park.

Three levels of government were recognized for their contributions to this project. Each level of government, including the Federal Government, through the Recreational Infrastructure Canada program (RinC), contributed \$40,000 to this project.

“Parks bring us together as families, friends and neighbours to have fun and stay healthy and fit,” said Mr. Kramp. “Our Government’s investment in Henry Street Park is an investment in the health and well-being of residents in Prince Edward-Hastings.”

With the support from the Federal Government and Ontario Trillium Foundation, the upgrades to Henry Street Park located in downtown Stirling have been completed and include new playground equipment and a basketball court.
