### **KRAMP IS PLEASED AND HONOURED TO ANNOUNCE THE PASSING OF HIS MOTION, M-387, CANADIAN NORTHWEST PASSAGE**

**Daryl Kramp, MP for Prince Edward-Hastings** is pleased to announce the unanimous support for passage in Parliament of his Private Member's Motion, M-387- Canadian Northwest Passage.

"That, in the opinion of the House, as the various waterways known as the "Northwest Passage" are historic internal waters of Canada, the government should endeavour to refer to these waterways as the "Canadian Northwest Passage"; recognize the importance of the Northwest Passage to the Inuit; support the identification of an appropriate Inuktitut name for the whole Northwest Passage in cooperation with Inuit land claims organizations and territorial governments; and that this name be used in conjunction with the "Canadian Northwest Passage" when referring to internal Canadian waterways."

In the House of Commons yesterday, Daryl Kramp received **ALL-PARTY SUPPORT** for the passing of his Motion, M-387. Yeas – 271 Nays - 0

"I would like to thank my honourable colleagues for their support and the valuable contribution from the Inuit", said Daryl Kramp. "This motion really expresses our view as a people, as a nation, that the Arctic is a fundamental part of Canadian history. It is an expression of our deepest aspirations and it is central, really, to our national identity."
