MP KRAMP ENCOURAGES CONSTITUENTS TO VOTE FOR BELLEVILLE ON NEW MONOPOLY BOARD

Belleville, ON – Daryl Kramp, Member of Parliament for Prince Edward-Hastings is pleased to learn that Belleville has a chance of ending up as one of the properties on the new edition of the board game “Monopoly Canada”.

“This is great news”, said Mr. Kramp. “I’m sure many of my constituents have enjoyed many hours playing the classic board game, Monopoly, with their families over the years and it would be tremendous to see Belleville have a place on the newest board.”

Belleville is one of 60 Canadian cities which could end up as one of 22 squares on the board for the new Monopoly Canadian Edition board game. The cities will be chosen based on online voting.

MP Daryl Kramp has invited the Cable Public Affairs Channel, (CPAC), to visit the city of Belleville this Thursday, January 28th. Mr Kramp will take the film crew of CPAC on a tour of Belleville highlighting the city’s industrial, downtown and waterfront areas.

Mr. Kramp encourages his constituents to visit www.monopolyvote.ca to cast their vote for Belleville. Voting can take place once a day until February 21, 2010.

“This is a great opportunity to let the rest of Canada know about Belleville and give the city some well-deserved exposure”, added Mr. Kramp. “I hope everyone takes a few minutes of their day to get online and vote. Our excellent city deserves to be on the board!”
