MP Kramp welcomes designation of September 11th as “National Day of Service”

Belleville, ON – Daryl Kramp, Member of Parliament for Prince Edward-Hastings welcomes Prime Minister Harper’s announcement yesterday that September 11 will now be recognized as a National Day of Service.

“A National Day of Service will help us remember those Canadians who died in this tragic and terrible event and also remember the tremendous care and warmth shown by Canadians like those in Gander Newfoundland who hosted air passengers when their planes were diverted and grounded on that infamous day ten years ago.”, said Mr. Kramp. “It will always serve as a reminder that many selfless Canadians took action to serve in rescue efforts at Ground Zero in those hours, days and weeks following the attack.”

“I hope that a National Day of Service will encourage Canadians, even those too young to remember the events of 9/11 , to continue our nation’s natural spirit of providing compassion and aid to others in need.”
