## **MP Kramp welcomes Canada's Enhanced New Veteran's Charter**

**Belleville, ON**— Canada's New Veteran's Charter is now in effect and Daryl Kramp, Member of Parliament for Prince Edward-Hastings is pleased that the government has followed through on their commitment to Veterans.

"Our government promised that the New Veteran's Charter would evolve with the needs of the men and women it serves", said Mr. Kramp. "We have followed up on that promised with these enhancements".

The enhancements that are now in effect provide additional monthly support for Veterans who are seriously ill and injured, as well as flexible new payment options for recipients of a disability award.

"We will stand up for the rights of those who served and those who continue to serve. It's the right thing to do", said Mr. Kramp.
