## **Kramp: Our Government will continue to stand up for men and women in uniform**

**Belleville, ON** – Daryl Kramp, Member of Parliament for Prince Edward-Hastings is pleased, but not surprised, at the recent findings of the Panel of Arbiters regarding the handling of Taliban prisoners in accordance with international obligations.

“The Opposition politicized this issue at every turn, especially when they felt it may gain them some points during the previous election”, said Mr. Kramp. “Now, after 12 months and 12 million dollars of taxpayer money spent on it, the results were as our government has originally stated and that is this: there are no credible allegations against our men and women in uniform regarding the treatment of Taliban prisoners in Afghanistan.”

“Our government will always continue to stand up for our men and women in uniform”, said Mr. Kramp.”
